

INTRODUCING 2LEECH!

SUPPORTED FILE HOSTS

UNLIMITED FILE SIZES

TOTAL PRIVACY

HOW DO I USE 2LEECH?

Introducing 2Leech!

2Leech is the last thing you will ever need to download any file from our selected file hosts! Our service will leech the files of your choice directly to our servers and hold them until you have downloaded them to your PC at the maximum bandwidth that your ISP allows (using download accelerator). And all this at a fraction of the cost of what premium accounts would cost you!
